Cornell University Chapter
of Zeta Beta Tau Fraternity

ITHACA, NEW YORK

APRIL, 1981

Richard A. Schwartz, M.D. '61 Elected President

On behalf of our Alumni Association, I take great pleasure in welcoming Richard A. Schwartz, M.D. '61 as Kappa Foundation's President. Elected to the presidency at K.F.I.'s annual meeting, Dick has always been a strong supporter and leader in Zeta Beta Tau. During his undergraduate years, aside from being Chapter President, Dick was a campus leader as Captain of Cornell's crew team and a national figure as the crew team went to the Olympics.

Currently a cardiologist in Arlington, Virginia, Dick maintains ties with Cornell in spearheading various fund-raising activities. Remembering Kappa in its heyday, Dick was startled to hear of the Chapter's closing and the difficult years of the early 1970s. Dick is not satisfied to see his Chapter suffer mediocrity, and has pledged his services to building an Alumni force capable of bringing Kappa back to the "Top of the Hill."

I can only say that working with Dick is a true pleasure. Wholeheartedly, I look forward to meeting more Alumni of the "Old Kappa" who share his spirit and vitality.

Executive Trustee

Who Owns The Bond?

Once again, Kappa Foundation, Inc. offers a \$500 bond for redemption. To assist with the new Chapter House's financing, bonds were sold in the late 1920s. At a later date, these bonds were burned as a donation to the Foundation. Currently, one \$500 bond is outstanding. This is the second and final offering of redemption. Anyone with a documented claim on this bond should contact:

Kappa Foundation, Inc.
c/o Maxfield, Randolph and Carpenter, C.P.A.s
First Bank of Ithaca Building
Ithaca, NY 14850

If left unclaimed, this bond will be retired into the general Building Fund on July 1, 1981.

Return For Reunion Weekend June 13

Based on the tremendous response received in 1980, Kappa Foundation will once again sponsor a Reunion Weekend Reception at Edgecliff. The festivities will commence at 2:30 pm on Saturday, June 13. Alumni from all years are urged to attend. Included will be cocktails, hors d'oeuvres, and plenty of "munchies" for the kids. A good group is already committed, so don't be left out. Accommodations can be provided at the Chapter House. Please fill out and return the enclosed response card as soon as possible.

Remember Henry Vanhorn?

Henry Vanhorn, Kappa's long-time houseman, still holds fond memories of his many years with our fraternity. During Henry's tenure with Kappa, a pension fund was established for his retirement. The pension provides for monthly payments to Henry until the account is depleted of interest and principal.

As of this May, 1981, Henry's pension account will be exhausted. Ultimately, Kappa Foundation will no longer be able to aid Henry in his retirement further than his supplemental health insurance. To this point, the pension paid \$150 per month. In this day of rising prices, Henry's welfare will surely be jeopardized without the pension.

Please think back on how much Henry did for you and our Fraternity, and help Kappa Foundation continue the pension. Your contribution should be addressed as follows:

Recommend A Legacy

Too often Kappa's legacies are overlooked during rush, as no one knows they are on campus. When your sons or family members are left at Cornell in August, often the first time truly away from home, a familiar place to relate to is comforting. All alumni are urged to provide the Chapter with names of their matriculating relatives. Kappa Foundation sponsors a reception for freshmen and their families each fall. Contact either the Executive Trustee or Chapter President for details.

Wedding Bells At Edgecliff

Stephen A. Horn, '74, brings a "first" to the modern Chapter. Steve is currently a member of the California Coastal Patrol stationed in San Francisco. On Saturday, June 6, 1981, Steve will be married in Sage Chapel at Cornell. Following the ceremony a reception will be held at Edgecliff.

Kappa Foundation wishes Steve and his fiancée much happiness.
